## Purpose of the School Connect Division

Mulana Abul Kalam Azad University of Technology, West Bengal, has come forward to guide the students those are entering college soon, so that they are properly guided for their future career and thus have a golden future.

The professional world is always an arena of hard competition. The students should have a proper selection of professional courses and get admitted to the best institutions for upward mobility in their career graph. According to academicians and HR experts, the choice of subjects during admission to colleges plays a pivotal role in career development. There are some major subjects those generally play a key role in job market. The proper selection of subject may help a student to push him/ her to bright career. Because, it is the proper training that enhances the skills and which helps them to face the hard competition ahead in life. Thus best faculty enriches the knowledge-base and help them to establish them professionally.

Keeping this in view, the Maulana Abul Kalam Azad University of Technology, W. B., has stepped up to guide the students at the end of their schooling. That's why it has created a branch known as School Connect Team that carries forward the School Connect Programme. It has been functioning since March 2019.

According to Prof. (Dr). Saikat Maitra, the Vice-Chancellor of MAKAUT, W.B., the objective of the School Connect Programme aims to increase the awareness about the Professional Courses of MAKAUT, WB., among the school students of WB. and their guardians, concerned authorities and other concerned stakeholders.

MAKAUT, WB., has been trying to reach out to the youth community from their school days. This early initiative is to give them a winning edge once they complete their schooling. The main focus is, to guide and channelize the young talents so that their career path can scud high. Thus for a rosy career MAKAUT, WB, is the ultimate goal. MAKAUT, WB, is trying in all possible ways to help the students who are our future so that their future, career blossoms. MAKAUT, WB, through the School Connect Programme of this Technology University, is aiming to give the best career counselling.

**MAKAUT, WB, aims to provide the best domain knowledge to all students**

The aim, according to Partha Pratima Lahiri, Registrar, MAKAUT, WB, is to bridge the gap of information that comes in the way of their choice of an appropriate professional future.

In order to spread this message among the school students, the School Connect Division of MAKAUT, WB was continuously organizing regular workshops, seminars and programmes in schools all over West Bengal before the pandemic. But since the pandemic days, the situation is different a bit as it has stopped organizing the programme in schools. In lieu of that, it has initiated putting the programme on virtual platform.

## **Purpose of the School Connect Division (Cont.)**

According to Partha Karmakar, the Deputy Secretary (Academic), West Bengal Board of Secondary Education, the versatile programme by MAKAUT, WB, on the virtual platform, those related to Education, has meanwhile created a profound and a positive impression about MAKAUT, WB.

The carrier guidance by MAKAUT, WB, will help the concerned students to seek out their interests and follow their passions in pursuing their preferred career options. Thus MAKAUT WB, has been developing the educational society in City, town and rural areas too. Thus MAKAUT, WB is trying to be a game-changer for future generations.

## School Connect Team shared its hand in Admission also

In addition to the mentioned events having no. 36, the School Connect Team also has shared its hand in In-house admission process in Makaut, W.B., also. Till date, the team has been guiding the students related to admission and post admission issues. The team used to collect huge data during the school visit programmes. It has contacted the school students over telephone with help of the said data and encouraged them to take part in the CET (Common Entrance Test) process.

The team believes that, contacting over phone and encouraging the students for CET, has helped them a lot in taking admission, in the In-house courses in Makaut, W.B., in the year of 2021.

As Covid- 19 has been creating obstacle to continue the physical program, the MAKAUT, W.B., School Connect Team jumped for multifarious online Programme. Below are the Events (Programme).

### Event No.-1 (Debate Competition)

MAKAUT, WB. arrange for debate for school students from class VI to XII . The students appeared in it through virtual platform.

There were two groups of debate and the groups were named after Einstein and Galellio. The subject of debate for Einstein group was -- 'Imagination is more powerful than imitation'. Seven students appeared in it from various schools. The preparation of the program was initiated in January 2021, but the Program was started on May 11, 2021. The judges were selected from various schools. The subject of debate for Galellio group was ' Science education cannot develop morality'. Ten students from different schools took part in the programme through virtual platform. In addition to first, second and third certificates, all the contestants were given the participation certificates.

MAKAUT. W.B. School Connect Team arranged for a programme on the issue of 'Mathematics in Nature' on webinar, which helped the students to get fun. Thus the fear on mathematics, to some extent, was removed. About 300 school students in addition to huge number of school Teachers and guardians enjoyed it, sitting in their own drawing room. The same is now available in University site too. However, the students, teachers and guardians demanded to arrange for more such programme. MAKAUT, W.B., Vice - Chancellor Professor Saikat Maitra, Pritimoy Sanyal, Professor Indranil Mukhopadhyay, Professor Sukhendu Samajdar, Professor P. N. Dutta and WBBSE, Deputy Secretary (Academic) Dr. Partha Karmakar appeared the programme actively. It was delineated in the programme that how the Mathematics are latent in Nature. One of the experts explained why a Jiraff eats Pine leaves only of tenth tree after eating a tree at each time. Why a butterfly flatters (flaps) its wings under Sun and so on. Another expert described that there is Geometry in movement of flock of flying birds and fishes. Such many interesting things were discussed. It enchanted the students.

## Event No.-5 (Speech Competition)

Speech Competition was arranged by MAKAUT, W.B., School Connect Team in two groups consisting students from class VI to XII. It took place on May 10, 2021. The students from various schools in West Bengal took part in it. The groups were named after Rabindranath Tagore and Swami Vivekananda. While there were 10 contestants in Tagore group, 16 were in rest Vivekananda group. While Tagore group was meant for class VI to VIII, Vivekananda group was for IX to XII. Whole the programme was performed through on - line. The subject for speech for both groups was –“The abuse and addiction of Drug in youth generation hindering their mental growth and development.”

## Event No.-6 (Interaction and discussion with Madhyamik and Higher Secondary Students)

Even being a University, MAKAUT, W.B., has been continuously taking the effort for the development of the community of school- student during the pandemic plight too. Huge people have praised the endeavour. School Connect Team has meanwhile finished a number of programmes with the noble view. Arrangement for the on - line classes for huge number of the students of Secondary and Higher Secondary level throughout West Bengal,

was a part of the noble efforts. The students, School Teachers and guardians were overwhelmed for the same, as they were benefited from it. The arrangement for the Webiner classes took place for consecutive 13 days on and from April 15, 2021. According to data, 35 selected teachers of different subjects from different schools in West Bengal took the classes and more than 2000 students appeared the same during the event.

Lockdown for Covid - 19 bashed the school education. The students, Teachers and guardians were puzzled thinking how to face the critical situation. Closing of schools was developing two types of rudimentary problems. While one was the gap in imparting education and the second and the most unwanted issue was the mental health of student community. The Hon'ble Vice Chancellor, MAKAUT, W.B. Professor Saikat Maitra, whose brain is the library of innovative thinking, advised MAKAUT's School Connect Team to arrange for a Conclave of Head Master / Head Mistress. Consequently it was arranged through the webinar. It ran for consecutive 3 days on and from May 6, 2021 and around 500 Head of the Schools in West Bengal took part in it and expressed their view to mitigate the discussed problems. Most of them stressed in developing the student to student connection with teachers for number of times. They unfolded that it would help the students to develop courage in themselves to face the hindrances caused from lockdown. If a teacher contacts a students through telephone directly or in any indirect way, they will feel the affection of the teacher to an individual student. That will help them to feel that they are not alone. It will help in bridging the gap that developed for closing the school and strengthen their mental health. When the mental health will develop through contact of School 'SIR' or 'MAM', they will become fit from all aspects. At least, the Heads of the institutions, disclosed such a view.

## EventNo.-8 (Sorrow- Depression- Joy)

The Covid - 19 pandemic plight has pushed back the human being into Captivation in their home through out the globe. As, we, the human being grow with the nature, with the flora and fauna, it is hardship for us to stay away from the mystic - vista and willingly accept the home - Captivation. So, a good number of people turned sorrow and depressed subsequently. Even psychological problems developed in many of them. At this avenue, Maulana Abul Kalam Ajad University of Technology, W. B. has stepped up with the idea of organizing a series of lectures from 1stMay, 2021 on virtual platform on how to achieve the (bliss) benediction of Omniscient to keep the mind placid. It was the brainchild of MAKAUT Vice Chancellor, Professor Saikat Maitra that had snowballed in him ab - initio of the Covid pandemic. So, the nomenclature of thematic programme was done as 'Sorrow - Depression - Joy'. We have already started second session in August 2021. Extreme number (1000) of participants appeared the program.

### Event No.-9 (Briksha- Bandhu)

The planet is facing critical environmental problems where scarcity of fresh and up to the mark quantity of oxygen in nature is a great matter of concern. Lack of plantation due to cutting of trees for Industrialization and extension of civilization are the rudimentary causes of the enthralling plight. Each one of the human being on the globe has the responsibility to try to mitigate it by plantation and it's a step in the direction. However, like many other arenas, MAKAUT, W. B., has also spring up to encourage students for plantation. The concerned programme was named as Briksha Bandhu. It was held on June 27, 2021. ## Event No.-12 (Tomader Katha)

'Tomader Katha' was an unique idea of MAKAUT Vice Chancellor Professor Saikat Maitra. According to him, as the school students have been staying in home due to lockdown for Covid 19, they are getting vexed as they are unable to meet their intimate friends and beloved Teachers. So they are in a monotonous situation and a little disturbed in mind. With a view to remove the monotony, MAKAUT Vice Chancellor Professor Saikat Maitra advised School Connect Team to arrange for the programme 'Tomader Katha'. It was an on - line programme where students from various invited schools attended and shared their feeling during lockdown. While it started on May 22, 2021, the next programmes on the issue took place on May 29 and June 27, 2021. Students from 11 schools took part in it.
